

A giraffe	A parrot	An elephant	A rabbit	A dog	A duck
Start here					
	A polar bear	A kangaroo	A mountain goat	A cat	

Materials needed: one die (dubbelsteen), a coin, this game board, and the body parts cards.

Take turns. Roll a die and move your coin. Then say: "A _____ uses its _____ to _____."

Example: A parrot uses its wings to fly. (Thumbs up! = That is true!)
 A mountain goat uses its pouch to carry its baby. (Thumbs down! = That is not true. Mountain goats don't have pouches!)
